

ACTIVITIES 37: “Perfect Square Memorization”

Purpose of the activity:

- Student will learn the perfect square of all of the numbers from 2 through 13

Materials needed:

- Perfect square die and perfect square chart

How to play:

- Teacher rolls the perfect square die and the Student says the answer. Student may use the chart until they have all of the perfect squares memorized

Possible Next Steps/ When to Move On To Next Activity:

- For the Student who is proficient with his times tables this will be a simple activity
