

ACTIVITY 3: “Which Number is Bigger?”

Purpose of the activity:

- Student will be able to determine which is the larger number when looking at two or more dice.

Materials needed:

- All black, green and red dice

How to play:

- Two or more dice are rolled, and Student determines which is the largest die.

Possible Next Steps/ When to Move On:

- Teacher discretion when Student is able to correctly identify which number is the largest of two or more dice.
