

ACTIVITIES 38: “Square Root Memorization”

Purpose of the activity:

- Student will learn the square root of all of the perfect squares from 4 to 169.

Materials needed:

- Square root die and perfect square chart

How to play:

- Teacher rolls the square root die and the Student says the answer. Student may use the chart until they have all of the perfect squares memorized

Possible Next Steps/ When to Move On To Next Activity:

- For the student who is proficient with his perfect squares from 2 through 13 this will be a simple activity
